

**362L Homework Set 7****Due April 10 in class.**

Students in 362L are usually seniors or juniors, and are probably making or have made career plans of one kind or another. What we would like to know is what your current career plans are, and (if you want to tell us) why you chose that particular career path. If you have made no plans to date, or if you prefer not to reveal any ideas or plans, that's fine. Turn in a brief account as Homework 7. Make sure the paper is clearly labelled with your name and the heading Homework 7. If the paper is otherwise blank, that means you choose not to present career plans, which is fine. The turned-in papers, blank or not, count as Homework 7. Every student who turns in a paper, blank or not, gets the same grade of 100%.
